

FAMILY PROFILE FORM

Help us place your branch on the family tree

BEGIN WITH WHAT YOU KNOW

Start with the parent who connects you to this family line. If the wider branch is unknown, begin with yourself and your immediate family.

DO NOT GUESS

Leave a field blank or write "Unknown." If a relative has died but the date is unknown, write "Deceased."

INCLUDE EVERY RECOGNISED RELATIONSHIP

Biological, adopted, step, foster, guardian and other family relationships can all help explain the family structure.

PRINT ONLY WHAT YOU NEED

Use the core pages, then print or duplicate the Additional Relative Profile pages whenever more space is required.

PRIVACY

Avoid unnecessary sensitive information about living relatives. Contributions are reviewed for the family archive and are not automatically published.

When complete, attach the form through the Contact Us page at familyfootprintjosephwilliams.com
